

# Montessori Matters

August 13-17, 2012

Presented by Manel Wickremasinghe

This class gives your child a great head start for the school year. An hour and a half a day is the perfect amount of time for a new Montessori child to become comfortable with the classroom environment. Montessori Matters will smooth the way for children becoming part of our preschool/kindergarten community for the first time. This class is an introduction to the basic materials and routines they will encounter in the fall.

Ages 2½-5 years

9-10:30 a.m., Monday through Friday
